How about COB Thursday, April 7. That is 8 and half days if you send it out before noon and RSB counts before noon as a full day for their purposes so by RSB count it would be 9 days. Or if you want to be nice, COB Friday, April 8. However, they are only going to get 10 days to review the entire rule in FAR.

Thanks Joel, do you have thoughts on timing of review as well? 2 full weeks would put review of materials at 4/11. The current ABP says WG finalizes OS materials 4/19.

Joel,

Ex. 5 Deliberative Process (DP)

Hi all,

Thank you all for your patience, we are excited to share with you today the Draft TCE options selection slide deck for your review.

If there are any questions regarding the path forward please copy Joel Wolf on the email.

Please find attached, as well as available on sharepoint:

Let Gabriela or I know if you have trouble accessing any documents on the sharepoint.

1. Draft TCE Option Selection Presentation
2. Office comments on Draft TCE OS presentation
3. ECEL (immunotoxicity endpoint)
4. ECEL (congenital heart defects endpoint)

By COB Day 4/XX please provide your comments following these guidelines:

- Please respond by office within the template provided
- If you suggest changes to specific language on a slide, please provide the exact language you suggest

- If you suggest there to be additional information in the slides or that information is incorrect please explain why
- Please share your office's comment document with Gabriela Rossner and I by COB 4/XX

Thank you for your continued support in developing the TCE options!
